Nursery Spring Term 1

English

This term we will be reading lots of stories set in snow such as lost and found, Little Polar Bear, and Elmer in the Snow.

We will be practising speaking in sentences and developing our listening skills.

We will be doing lots of fun activities in small groups. This will help us to listen to our friends and give us more confidence to do fantastic speaking.

Topic

This half term our topic is **'Frozen'**

We will be looking at cold and snowy places around the world like the North and South Poles and the people and animals that live there.

We will be observing similarities and difference and talking about changes in the world around us. We will spend time talking about the weather and exploring snow and ice.

Maths

We will be having regular Maths Meetings looking at the days of the week, number of the week, months of the year and the weather.

We will be doing lots of counting this half term. We will be learning to count to 10 and also counting groups of objects.

We will also be looking at 2D shapes. We will be naming them, sorting them and looking for shapes in the environment.

PE

We will be developing our physical skills in both the outdoor area and the hall. This half term we will be moving in different ways on the big apparatus

When we go into the hall we will also be practising taking our jumpers and socks and shoes off. Please encourage your child to be as independent as possible at home.

Homework

Please help yourself to a story book which are in the Nursery entrance. We would love you to share lots of stories at home and talk about them with your child.

Other useful info...

Please make sure that your child has a named water bottle in school. This can be left in the tray at the snack area. Please make sure that your child's name is in all clothing including jumpers, t shirts and socks.
