INSPIRING BEYOND MEASURE

Year 1 Spring 1- Superheroes

English

This term we will be focusing on our new book, Supertato! We will be writing sentences about Supertato, instructions to catch the Evil Pea and then writing our own stories.

PE

Our PE topic for the term is climbing, balancing and ball skills.

Science, History, Curriculum

Science - Our science topic is our bodies and learning about our senses.

History - We will be learning about real life heroes like Grace Darling.

Art and D&T- We are going to be learning all about Pop Art and Andy Warhol. We will be creating pieces of work inspired by him.

Geography - We have been thinking about what a superhero might see flying through the sky and labelling aerial photos.

Homework

Your child should have had a homework book sent home with a tick list full of flight homework jobs! Please bring your child's book in at least once a week and help them to learn their spellings.

PLEASE READ EVERY NIGHT WITH YOUR CHILD!

Maths

We have been recapping sequences, counting in multiples and learning to compare numbers using our star words greater, less and difference.

RE/PSHE

In PSHE we have been learning all about how we can be heroes and help others.

In RE we will be learning about Chinese New Year.

Other useful info...

PE Kit to be in school everyday.

Children need to read at home as often as possible (at least three times a week).
