INSPIRING BEYOND MEASURE

Year 5 Spring Term 1

English

During this term, we will be writing openings that include description and speech, as well as writing story resolutions and endings. We will be learning to use metaphors, similes and personification to engage our reader.

Science, History, Curriculum

Science - We are going to be learning about life cycles of different animals

Geography - Our topic is All Around The World and we will be using globes, maps and atlases to locate countries and cities, developing understanding of physical geography and geographical diversity across the world.

Art / D&T - Finding out about food from around the world. Enjoying art from different continents and cultures.

Maths

During this term we will continue our maths meetings covering a range of themes. Our main sessions will cover multiplication and division and fractions.

RE

We will be learning about Christianity and how beliefs affect actions.

PE

We are taking part in the Daily Mile each day and also take part in competitive games.

Homework

Try some of the activities on our creative homework grid. Also learn your spellings, times tables and keep practising on TT Rockstars,

Other useful info...

PPA day is Wednesday, make sure PE kit is here for this day.
