Dear Parents / Carers

**Y5/6 Netball Team Trials - Thursday 19<sup>th</sup> September 3pm-4.30pm**

On Thursday 19<sup>th</sup> September we will be holding trials for the Y5/6 Netball Team. These will take place from 3pm – 4.30pm on the school yard. Successful children who have been chosen for the team will receive a separate letter the following week explaining when training will start.

Children will need to wear their PE kit and trainers for the trial. They will also need some warm jogging bottoms and jumper as we will be outside. They will need a water bottle – no sports drinks. Please make sure children requiring inhalers have these in school.

Please collect children after the trial at 4.30pm at Lower Gregg House Road Gate. Children can walk home as long as parents / carers tick the box on the permission slip.

Please fill in the permission slip attached, tear off and return to Mrs Alcock's desk in the PE store by Wednesday 18<sup>th</sup> September.

Thanks for your support

Kind regards

Mrs Cockayne

Head of Upper School
