Dear Parent/ Carer

As part of our geography topic 'My Community' for this half term, we are looking at different areas in our community. We have looked at woodlands and are aiming to take the children around Woolley Woods to learn about orienteering and compasses.

We are going to walk to Woolley Woods to do to a Halloween Autumn walk and look at features of a compass. This will take place on the afternoon of 24<sup>th</sup> October to complete our community topic.

We are setting off at 1:15pm and will arrive back at 2:30pm; so the trip will take place during school time. Please make sure your child is dressed appropriately for the trip with sensible footwear and coats. If the weather is exceptionally bad on the day of the walk, we will look to arrange it for another day. Uniform is to be worn.

We are in need of a *small amount* of parent volunteers, so please let your child's teacher know if you would like to come so you can support a small group of children. In the event that the trip is very popular we will pull volunteer names out of a hat.

Kind regards,

Year 1 team
