Progress Maths	-1.3	-1.61	0.80	-1.72	-1.79	1.75			

Missing National data will be added as soon as it is available.

The data shows the rapid and now sustained improvement being achieved across the school. Results are set to further increase in 2018.

Within the data priorities have been identified and these are articulated in the self-Evaluation document and included in the Development plan for 2018-19.
