

## Good Luck To Year 6 Pupils

Wishing all our Year 6 pupils good luck with their SATs tests. Well done for working hard and attending extra boosting sessions, you have all shown resilience and determination to succeed.

Don't forget there is a FREE Breakfast Club from Monday 13th May to Friday 17th May. No need to book just come along, we look forward to seeing you.

The dates for Y6 SATs tests are:

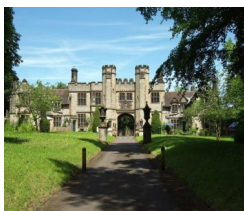

**Monday 13th May to Thursday 16th May**

## Year 6 Tuck Shop

Unfortunately, due to the schedule of the SATs tests, Year 6 pupils will be unable to go to the Tuck Shop next week, however, we will be providing fruit to all pupils throughout the week.

## Thornbridge Residential

The next payment of £50.00 is due on Friday 17th May for the Thornbridge residential for Year 6 pupils which takes place in September. You can pay online using the My Child At School app or in cash at the school office.

## Update Your Information

Please remember to contact the school office to let us know your new address or phone number. This is extremely important should your child become ill and we need you to come to school to collect them.

### Attendance Updates:

Please be reminded that if your child is classed as a persistently absence pupil, with an attendance percentage of 90% and below, school will no longer be authorising any further absence. This is in line with the expectations set for schools by the Local Authority. For appointments – where evidence can be provided, this will be authorised. A child with an attendance percentage of 90% at this point in the school year has already been absent for 28 sessions (14 school days).

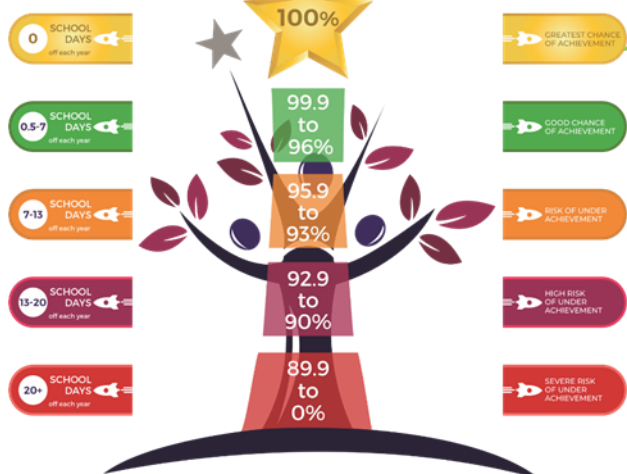

If you need extra support or are facing any barriers in getting your child to school please speak with the inclusion team, we are here to help!

Early intervention – If you think you would benefit from Early Help intervention, again please speak with the inclusion team who can offer more information and support with this.

“Early help is support for children of all ages that improves a family’s resilience and outcomes or reduces the chance of a problem getting worse. It is not an individual service, but a system of support delivered by local authorities and their partners working together and taking collective responsibility to provide the right provision in their area”
